

	<b>Recommendation for SATMAR Satellite Communication &amp; IT Services</b>	<i>Quality Assurance into the 21st Century and beyond</i>
		<b>TSM Form No. 150</b>

February 14, 2020

**To: Whomsoever it may concern**

This letter is to acknowledge SATMAR Satellite Communication & IT Services Company as our trusted partner since 2012

THOME Ship Management has been cooperating with SATMAR in various fields, including installation, commissioning and repairs of satellite communication equipment and products delivery. Our partnership has always resulted in professional solutions to all the issues - both on board hardware and those regarding IT infrastructure.

As experienced, SATMAR's excellent team consists of skilled maritime field engineers and resourceful supporting staff. They always show their flexibility in the field and ingenuity with remote support, ensuring outstanding results cutting on both - cost and time.

Basis experience, good troubleshooting skills, perseverance and customer satisfaction that we had with SATMAR services, I endorse SATMAR Company wholeheartedly as a technical partner you can always count on. Their creative thinking and innovative approach to seemingly unsolvable situations is one of their greatest assets.

I hereby recommend the services of SATMAR Company, as they work by their motto: "Well done is better than well said"
